and **Browndale Fire Company**

Wayne County (PA) Fire Station 43 presents

Command for Company Officers

January 30 and 31, 2010 @ 08:00 hours

The program

Whether you are a seasoned officer, one newly promoted or just are aspiring to become an officer, this program will provide you with the tools you need to meet that challenge. A company officer's job is difficult, especially if you have *not* been prepared for the transition from firefighter to company officer. This program, through a series of interactive exercises, role playing and problem solving activities will provide you the tools needed to succeed in the station and on the fire ground. Through computer simulation exercises and other interactive activities, students will have the opportunity to participate in several emergencies under the watchful eyes of our instructors. Our faculty will share their "best practices" showing the way it is really done in today's challenging and ever changing fire service.

The lead instructor : Mick Mayers, Battalion Chief, Hilton Head Island (SC) FD

Michael "Mick" Mayers has served the Hilton Head Island (SC) community as a firefighter and paramedic since 1982, where he is currently a Battalion Chief. His career began as a volunteer with Bridgeport (PA) in 1980. His responsibilities also include duties as the Deputy Director of the South Carolina Urban Search and Rescue Program (SC-TF1) and as Chairman of NFPA's Rescue Technician Professional Qualifications Committee (NFPA 1006). Mick is also one of the founders and past Vice-Chairman of the State Urban Search and Rescue Alliance (SUSAR). Mick holds a degree in Fire Science Technology from Savannah Technical Institute and is a graduate of the National Fire Academy Executive Fire Officer program. He is an author of many articles on emergency service leadership; some of his articles and posts can be found on his site at www.FirehouseZen.com
